

No Empty Bowls

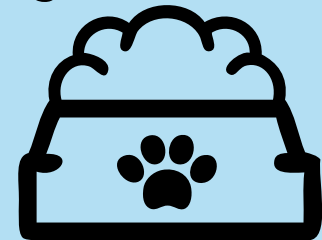

Pet Food Bank Program

We believe that no one should face the difficult decision of having to surrender their pet because they cannot afford the cost of pet food.

What is 'No Empty Bowls'?

No Empty Bowls is a pet food bank program intended for families facing financial difficulties. This program provides pet food relief to ensure nobody has an empty food bowl at home.

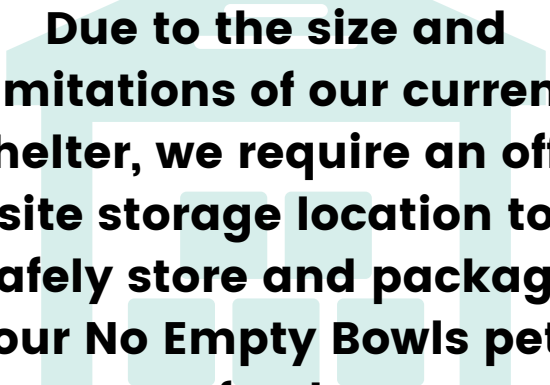

No Empty Bowls supports a number of different community service organizations, resource centers and local food banks, as well as individuals who reach out directly to the shelter requiring food

No Empty Bowls helps 400+ animals in London & surrounding areas from going hungry every month.

Fill the Bowl Sponsor – \$5000 For 6-Month Sponsorship

Max. 2 Sponsors per 6-Month Sponsorship Period

Due to the size and limitations of our current shelter, we require an off-site storage location to safely store and package our No Empty Bowls pet food.

In order to transport pet food across the city to various community service organizations, our HSLM bus requires fuel and regular maintenance to provide safe and reliable transportation

Your sponsorship will help cover the cost of this off-site food storage and packaging room, and transportation needs, so we can continue providing this important community service to London & Middlesex.

Your sponsorship will include:

- **3 features on HSLM social media pages, highlighting your partnership with our No Empty Bowls Program**
- **A special, personalized note acknowledging your sponsorship will be provided to all of our monthly delivery locations for 6-months**
- **Your business name and logo will be featured on signage in the HSLM lobby and in our No Empty Bowls food storage and packaging room.**
